These were reduced to their present size by the celebrated Die Sinker, Mr. Wyon of London. It would seem an impossibility but it is a fact that the Legend in the smallest size 10, is just as perfect as it is in the largest Medal size 52. There were only about twelve sets struck. #### HALF DIMES.

- 1460 1795 Very fine impression. Rarely found much better
- 1461 1802 Half Dime. This is one of the best specimens of this half dime I have ever known to be offered at auction, and certainly the best, if I except the one sold in the Redlick sale by Mr. Scott, which had been too highly polished to cause me to value it very highly. This is unusually fine, and the rarest half dime known
